We are fortunate at Norfeldt to offer many before school and after school activities for students. We have received various feedback about student offerings. One thing that I hear often is, "Why are there not more afternoon activities?" In an effort to offer more afternoon activities, we are now holding Student Council meetings after school. We are also working to make more after school activities available for students. However, please know, as we offer more activities, students will have to make choices about what they can participate in. If families have ideas for after school opportunities for students, I would love to hear them.

Please remind your children to check the lost and found, it is getting very full.
