

Dear Norfeldt Families,

Please use caution during morning drop off. Cars should not be pulling in front of other cars to cut into the drop off line. In addition, cars should remain in line and follow the cars in front of them to exit. Cutting in and out of the drop off line/circle is a safety hazard and it is our priority to keep our students safe. I thank you in advance for following these procedures for our students' well being.

This Week at Norfeldt...
