

Sunday, March 13, 2016

The weather is getting nice and it is wonderful to have children playing on the school grounds after school. Please be respectful of our landscaped areas and do not allow your children to play in them or climb in our trees. For safety, do not allow your child to climb on the walls or fence of the ramp. Also, kindly please keep all sticks and branches on the ground so that no one gets hurt. Thank you very much!

Please remember changes to students' dismissal plans should be made before school and must be sent in writing to the school office at the beginning of the school day. No emails or voicemails please. Please do not contact teachers with changes to dismissal plans, all changes should be directed to the office staff.

Monday, March 21st is National Down Syndrome Awareness Day and students and staff are encouraged to wear blue and yellow (the colors that represent Down Syndrome Awareness).

We are need of laundry bottle caps for a 3-D art project. Please send in caps to Mrs. Kaminski. Thank you!!
